SMALL PIECES

## COMBO

### Variety

Various

### Product Description:

Natural walnuts, consisting of pieces which pass over a 1/8-inch (3.18mm) screen but do not exceed 3/8-inch (9.53mm) size. Nut kernels are clean, dried, and free from excessive defects and damage, and graded in accordance with USDA and DFA standards for shelled walnuts.

### Color

Light & Light Amber with not more than 10% darker than Light Amber.

### Shell

1 per 500 lbs. or better

### Meal

0 to .3%

### Foreign Material

None allowed

### Total Defects

Not to exceed 5% by weight

### Storage Conditions and Shelf Life

Shelf life at 70° F (21° C) is 3 months. Optimum storage conditions of 32°-40° F (0-4° C) and 50% relative humidity are ideal for shelled walnuts and can be kept for 18-24 months from harvest date.

### Packaging

30 lb net corrugated carton made of food grade material. Carton is labeled with Turlock Walnut Company label. Plastic liner is inserted into the case and sealed to preserve freshness.

### Food Safety

Processed in accordance with GFSI regulations and Primus GFS V3.2 certification following HAACP and GMP practices. Walnuts are certified by the Dried Fruit Association (DFA) as meeting U.S. No 1 specification.
